Navy Expansion Program Hits Staff At Jefferson High

National defense and its personnel demands have come sharply home to Daly City with the loss of two of its most popular high school teachers—Dante P. Lembi and Coach John Matthews. Both have reported for active duty with the Naval Reserve.

James Ferguson, principal of Jefferson Union high school, said today that the school is proud that these men have been called for special service with Uncle Sam, but that their going would entail temporary hardship and difficulties for the staff. He pointed out that teachers appointed to fill their places would serve in a substitute capacity only as it is policy of the school board to hold open positions for those who leave to serve their country during the emergency.

Dante P. Lembi

Lembi, who was beginning his fourth year at Jefferson, will be a lieutenant, junior grade, in the purchasing department of the Navy. He has been language instructor at Jefferson. Publicly he was best known for his work with the Indians of Rhythm, popular Jefferson musicians.

John Matthews

Matthews, physical education instructor and coach, is now stationed on Treasure Island as coordinator of physical education for the Naval Reserve station there.

William Feole

Two new teachers have been named to the Jefferson staff. William J. Feole, who will teach Italian; Howard B. Miguel, who will teach Spanish and take over the supervision of the Indians of Rhythm. Feole is a graduate of the University of California and Miguel is a Stanford graduate. Both come with the highest recommendations, according to Ferguson.

Council Authorizes Purchase of New City Fire Truck

Purchase of a new fire truck—Daly City's third piece of major fire fighting apparatus to be acquired under the $40,000 modernization program, was formally made, Monday evening, at the regular meeting of the city council. The council voted to accept a $5,710 bid for the new vehicle, which is to be used as a pump truck. The department will also use the new equipment for salvage purposes.

Although the delivery date will be in the near future, it was suggested by the manufacturer's representative that the council file a priority form on the vehicle for the purpose of replacing parts. The council was assured, however, that the delivery of the new apparatus would not be held up for priority reasons.

A resolution was adopted at the meeting, regarding holding of the sale of a lot in Redwood City which is owned by this city.

Upon reading the council communications, it was agreed that Mayor John J. Fahey and City Engineer R. A. Klassen attend a regional planning meeting to be held in Oakland on Thursday, October 30. The meeting is for the purpose of making plans for the San Francisco Bay area.

Formal acceptance of the completion of Bepler street construction as specified by Klassen, was made. A letter to the city council from a Bepler street house owner with regard to the change in curb and street dimensions as a result of construction work on that street, was referred to Klassen.

A motion was passed in favor of Chief of Police James G. Reardon attending at a two-day course of instruction in civilian defense. Instructions will be conducted by

Lions "Ladies Night" Set for This Evening

"A good time for the ladies" is the purpose of the Daly City-Colma Lions club party, this evening at 7:30 p. m. at Hilltop lodge. Dale Hovey, president of the local group, announces that "ladies' night" tonight will be a dinner dance with games and other entertainment.

Lee Jorgenson, proprietor of Hilltop lodge, plans a special program, and the lodge will be decorated in Hallowe'en style.

Due to the success of past affairs of this kind, it has become traditional of late for the Lions club to reserve the last Wednesday of each such month for "ladies night," and the members and their ladies look forward to the event eagerly.

Red Cross Roll Call To Start November 11

America's national defense efforts require a great expansion of all American Red Cross activities, Walter S. Martin, chairman of the San Mateo Red Cross chapter, declared this week in urging "all-out" support of the greatest membership roll call in Red Cross history, to be held, November 11-30. Martin said the San Mateo county chapter had set a quota of 10,470 members for its share.

Daly City plans to do its share in Red Cross activities, according to Mrs. Horace Fellows, town chairman, 163 Vista Grande avenue. She announces that Mrs. Clarence Page, 532 San Diego avenue, will be Roll Call chairman for Daly City.

"This year the need is greater than ever for support of the membership drive," Mrs. Page said. "I know that Daly City is going to do its part."

Mrs. Page stated that committee members would be announced shortly for the Roll Call here.

Eighteen Display Work In Ceramics

Eighteen students of the ceramics unit of the Daly City WPA Recreation department will display their work at a public exhibit, November 3, 4, 5 and 6. Scene of the unusually interesting show will be the window of Warshawski's Dry Goods store, 6340 Mission street.

Ceramics, a comparatively new form of art in pottery, has been studied in Daly City under WPA Recreation department supervision for the past two years. The present class of 35 adults is instructed by Mrs. Alice Hillerich.

Classes are held three times each week at Jefferson Union high school. Two of the classes are held on Tuesday and Thursday evenings from 7 p. m. to 9 p. m., and a third class is conducted on Thursday between 9 a. m. and 12 noon.

The Jefferson class boasts the distinction of being the only school in possession of a kiln—an

Poundmaster Wins Stiff Round With Coon

"It was a tough battle, and I'm not looking for any more like it, but I finally decisioned him!" Such was the post-fight statement of Arch Banfield, Daly City poundmaster, referring to a bout he had with a strange but vicious opponent—a raccoon. The coon was at large at the home of Gene Groeferer, 269 Los Olivos avenue, Monday morning.

The one round go was staged on Archy's home grounds at the city pound. The battling raccoon tipped the scales at 30 pounds (which "ain't hay" in size for a raccoon) during the weighing-in ceremonies, and he packed a wallop with his long claws. Arch came out of the fray with a few minor scratches after succeeding in trapping Mr. Coon in a box.

Apparently, the raccoon was angered to start with after a fight with a dog, in which the former was chewed up quite a bit.

Banfield picked up the coon, responding to Gfroerer's call, and took the animal to the pound. Once at the pound, the coon became the "Reluctant Dragon"—reluctant to being caged. Archy

Appoint Editor To Outline Many Advantages To Men

At the suggestion of Secretary of Navy Frank Knox, Albert H. Boynton, publisher of the Daly City Record has been made Navy Editor, to help the Navy in giving ambitious local young men information about the opportunities the 'Two-Ocean' Navy offers them for technical training and advancement as they serve their country in its emergency.

According to an announcement made public in Washington, a limited number of additional men between the ages of 17 and 50 will be given a chance, by enlistment in the Navy or Naval Reserve, to get to the top, with big pay, in jobs which by their aptitude and as a result of examination they show themselves fitted, from among nearly fifty different trades and vocations.

These include such callings as aviation machinist, dental technician, photographer, diesel engineer, radio technician, electrician, welder, storekeeper, and baker. Enlisted men may also qualify for commissions as officers.

Beginning this week, the Navy plans for a limited time to accept new qualified men for training.

Daly City Library To Observe "Book Week"

National Book Week, November 2-8, will be observed by the Daly City public library with special displays, according to Mrs. Jean O'Rourk, librarian. In addition, every volume issued during the week will contain an attractive bookmark, especially designed for the week.

This year's theme is "Forward With Books." Sponsors of the national program state "Children need books to grow up with, and to grow up on. Book Week, with its accent on youth, focuses on the home, seeks to bring children to books, teaches them the pride of owning, the delight of sharing, the joy of entering new worlds along the magic pathway of books."

Primarily designed for youngsters, Book Week is none the less important to adults, Mrs. O'Rourk pointed out.

Mrs. Vivian Pahlka entertained the ladies of the Sew and Sew club, Friday, at her home on Winchester street.

Local Recreation Leaders Attend Mills Institute

Mrs. Marie Burton and Mrs. Alice Hillerich, of the local WPA Recreation department, attended a two-day session of the Supervisor's Institute at Mills college, Friday and Saturday.

The convention is an annual event, having been held since 1936. Six western states and the northern section of California were represented in all forms of recreational organizations.

The theme of this year's convention was "Recreation in Defense." G. Ott Romney, national Recreation director, spoke to the delegation on the new needs of organized recreation in connection with the National Defense program.

Hull Mentioned

During a press conference in Washington, former Gov. Alf M. Landon of Kansas, inadvertently referred to Secretary of State Hull as "President Hull."

"Is that slip significant?" inquired a reporter.

"Not especially," replied the 1936 Republican presidential candidate, but he conceded that if the Democrats picked Mr. Hull they would at least have a good candidate.

SCENES FROM "TOM, DICK AND HARRY"

In her current comedy hit, RKO Radio's "Tom, Dick and Harry," Ginger Rogers is faced with the hilarious problem of trying to choose between three determined swains. The choice is not so easy since she loves them all. (Top) A scene with George Murphy as Tom. (Center) A scene with Burgess Meredith as Harry. (Bottom) A scene with Alan Marshal as Dick, the rich boy. Which one do you think is the winnah? . . . Oh yeah? Well, you'll find out when you see the exciting new film at the Daly City theatre. It opens tomorrow for a three-day engagement.

Ginger Rogers Stars in Comedy Hit Coming to D. C.

Her first picture since winning the Academy Award for the best actress of 1940 with her brilliant portrayal of the title role in "Kitty Foyle," Ginger Rogers will be seen in "Tom, Dick and Harry" which is scheduled to open at the Daly City theatre, tomorrow. George Murphy, Alan Marshal and Burgess Meredith, three of Hollywood's foremost leading men, enact the roles indicated by the title.

Directed by Garson Kanin, who produced such hits as "Bachelor Mother" and "My Favorite Wife," the current film is described as a romantic comedy generously sprinkled with fantasy and hilarious situations.

Ginger is cast as a highly imaginative telephone operator, who believes it is just as easy for a working girl to marry a rich man as a man in her own financial class. She has gone steady with George Murphy, a live-wire salesman, for three years, and one night, under the spell of his enthusiasm, Ginger accepts his proposal for marriage.

But Ginger harbors a secret passion. He is the son of the town's richest man, and he sports a swanky car. Although she has never seen him, she has heard his suave voice over the switchboard telephone. And when she sees his expensive car drive up to the curb one night, she impulsively jumps in it, to the astonishment of the handsome driver. Thrilled beyond words, she accepts the young man's proffer of a date for the evening.

It is not until she has kept the engagement that Ginger learns the good-looking driver, Burgess Meredith, is merely a garage mechanic who was driving the wealthy young man's machine. But he proves to be charming, if broke, and she is intrigued by his happy-go-lucky philosophy of life. Before the evening is over they are engaged.

It is inevitable that Ginger finally meets her secret passion. Alan Marshal, the rich socialite, gives her the thrill of her life and they make the rounds of swanky cafes and take a spin in his plane. In no time at all they, too, become affianced.

Thus does the romantic young lady find herself officially engaged to three charming fellows, each of whom has his good and bad points. However, the showdown ultimately comes when each fiance demands a decision. How the impressionable young lady manages to extricate herself from her romantic dilemma, is said to lead to the delightfully amusing surprise-twist climax.

Companion feature on the new bill will be "Bad Men of Missouri," with Dennis Morgan, Jane Wyman and Wayne Morris.

Ford Cars for '42 Hit New 'High' In Feminine Appeal

If, as salesmen claim, it is the woman who generally has the last word in selecting a new car, Ford is in for a great year, because the new 1942 Ford V-8 and Six hit a new high in feminine appeal, according to motor experts who have been watching the reception given the new cars at dealer showrooms and at the Ford exhibit in the recent San Francisco Auto Show.

From the massive new front end to the smartly tapered rear, beauty and smartness are built right into the new Fords. Long, graceful fenders with new streamlining and a long, flowing hood add to the effect. Lines are lower and wider, because the frame has been dropped one inch to give a lower center of gravity for easier control and because the tread has been widened. The body flares out gracefully to conceal the running boards.

Super DeLuxe models are available in such bright, new colors as Moselle maroon, Niles blue green, Fathom blue, Florentine blue and Newcastle gray, while the DeLuxe is offered in Newcastle gray, Fathom blue, Florentine blue and black.

Inside the 1942 Fords there is new beauty, too. The art of the interior decorator has produced gay, harmonious two-tone effects in upholstery fabrics and in combinations of the shades used in the fabrics with the leather effects which adorn door facings and arm rests.

The instrument panel, too, is lovelier to look at than ever before. The faces of the clock-type dials are brushed brass and the indicators are black with brilliant red tips. These striking new instruments are framed in bright metal on a plastic panel which repeats the two-toned effects of the rest of the car interior.

The new Fords are on display, locally, at National Auto company, 7360 Mission street.

MISS RITA PAULINE PACINI CLAIMED AT ALTAR BY ALFRED C. BOURDET

Before a candle-lit altar Rita Pauline Pacini became the bride of Alfred C. Bourdet, at St. Peter's and Paul's church, Sunday. The ceremony was held at 3 p. m.

Miss Pacini walked down the white-carpeted aisle on the arm of her father, Giovanni Pacini. She was gowned in a beautiful white lace and satin bridal gown. The lace bodice had a heart shaped neck and long sleeves that fell to a point at the wrist. The large bouffant skift, which had tiny lovers' knots and orange blossoms throughout the pattern, fell gracefully to a long train. Nestled in her dark curls was a lace halo to match the dress, trimmed with orange blossoms. A tulle veil was attached.

Leading the bridal procession was the little flower girl, Odette Lacampagne, in a pink net and taffeta gown. She carried a small basket of baby roses. A halo of baby roses encircled her curls.

The bridesmaids, dressed in icy-blue satin gowns styled along the same lines as the bride's, carried white satin muffs covered with flowers and blue streamers. The bride's attendants, Misses Dina Marsili and Elva Passaglia, wore blue heart-shaped tulle hats with tiny veils, trimmed in blue satin ribbon.

Maid-of-honor, Miss Lillian Ciardella, cousin to the bride, was attired in a matching blue gown with tight bodice and full bouffant skirt. She carried a white satin muff covered with baby roses and pink streamers. Her head-piece was a heart-shaped, blue tulle hat with a small veil, trimmed in blue satin ribbon.

Rene Bourdet, cousin to the groom, acted as best man. Ushers were Joseph Pacini and Babe Camisa.

After the bride and groom exchanged vows, a dinner was held at the Ritz French restaurant for close relatives and the bridal party.

Following the dinner a reception was held at Eagles hall, San Francisco, for over four hundred friends and relatives. Refreshments were served and music enjoyed.

Upon their return from a two-weeks' honeymoon, the newlyweds will take up residence at their home on School street.

The bride is the daughter of Mr. and Mrs. Giovanni Pacini, Colma.

the Federal Bureau of Investigation in San Francisco, and the first two-day series will be held tomorrow and Friday. The course is for all police departments in the region, and Chief Reardon was instructed to take as many officers as can be spared with him. The council was advised of the course by the San Francisco F. B. I. agency.

Mayor Fahey suggested that an application for a permit to erect a sign on a lot adjoining the high school be taken up with school authorities. The council had received the application at a previous meeting.

Complaints filed by various citizens regarding the appearance of rats in the city was discussed. Fred Collins, Daly City health officer, stated that he had been approached on the matter, but that the problem did not occupy a place in the function of the health department.

Coming up for discussion in connection with the rat problem was the proposal by Councilman Edmund Cavagnaro of the possible condemnation of certain buildings in Daly City for health purposes. The council was warned, however, by City Attorney Rudolph A. Rapsey of legal complications. He suggested that the council proceed with caution on such abatements to avoid the possibility of a lawsuit.

It was suggested that Rapsey meet with Peter Kelly, city home inspector, and investigate the buildings before the city makes an attempt at condemnation proceedings.

The fire department was instructed to supervise a disposal by fire of rubbish in various vacant lots in the city, notably the lot on the corner of Knowles avenue and Mission street.

Before adjournment of the meeting, Mayor Fahey made a report on the convention of the League of California Cities, which was attended by Fahey and Councilman Paul Selmi.

Twenty Scouts Enjoy Pre-Hallowe'en Outing

A number of Boy Scouts from Troop No. 101, enjoyed the week-end at Lilienthal, Fairfax. The outing was the annual pre-Hallowe'en week-end. Each year a number of boys from this area attend the affair, which is under the sponsorship of the San Francisco council.

Boy Scout Troop No. 101 had twenty boys who were present at this year's shin-dig. They left Saturday morning at 10 a. m., accompanied by their leader, Frank Coughlin. The afternoon was spent working on bracelets and ashtrays and swimming. That evening they enjoyed a party with all the Hallowe'en trimmings—a journey through the haunted tunnel, dunking apples, ghost tales, and, of course, refreshments.

"Each year we send a group of boys up," stated Coughlin. "Lilienthal is a place where Boy Scouts can go year-in and year-out to camp or just to spend the day. All they need is the permission of their leader," he concluded.

The boys did their own cooking on the outing. Chief cook in charge of the menu was Joe Powers. The group returned home, early Sunday evening.

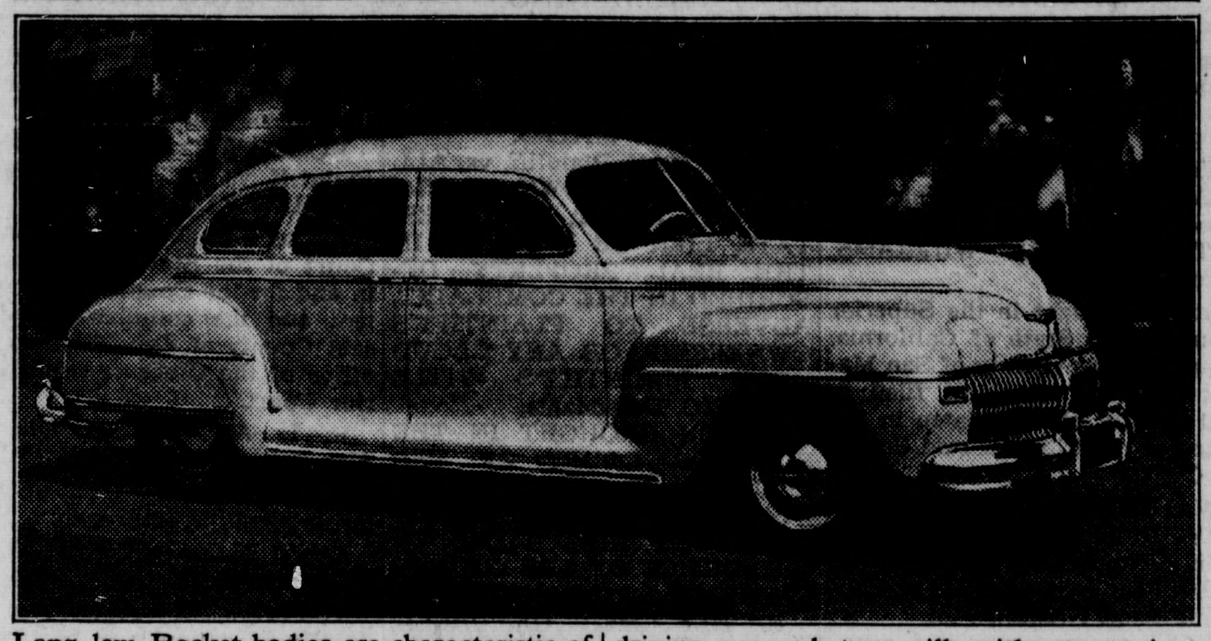

Many Local Teachers To Attend Meeting

A dinner meeting of the San Mateo County Teachers association will be held, Monday evening, November 3, at 6:30 p. m. in the Methodist church, Burlingame, according to an announcement made, Friday. Many local teachers are expected to attend.

Clive M. Saiz, local high school instructor and delegate to the Bay section, California Teachers association, states that the dinner meeting will be devoted strictly to business. A brief report of the N. E. A. convention will be made by President Grace Cochran of the county association. Bay Section President Henry C. Hall, San Bruno, will make a brief address. Pansy Jewett Abbott, county superintendent of schools, will discuss several vital issues.

Saiz has attended two all-day meetings of the Advisory council and the Bay section this month as well as an executive meeting of the San Mateo County Teachers association.

SIX P. T. A. UNITS CELEBRATE FATHERS' NIGHT

Jefferson Union High School P. T. A. was hostess to five visiting units in celebration of Fathers' Night in the main auditorium of the school, last Tuesday evening. Those units attending were Bayshore, with President Mrs. R. Praul; Colma, with President Mrs. W. Worth; Woodrow Wilson, with President Mrs. E. Hanley; Crocker, with President Mrs. P. Bordsen; General Pershing, with President Mrs. H. Clifton. President of the hostess unit is Mrs. W. Lehigh.

The flag was presented by two uniformed scouts, Alma Becker and Tommy Thimis, and the pledge was recited by all present.

Oscar Busch, musical director of the high school, presented two groups at this time, a brass sextet and a woodwind quartet. Each played two selections.

Mrs. Lehigh introduced Miss Helen Cheesebrough of the San Mateo County Chapter, American Red Cross, who highlighted aims and accomplishments of the organization both in war and peace. The annual roll call for Daly City is to be held beginning, November 11.

Mrs. Lehigh conducted a short business meeting and then presented the gavel in turn to each unit president who took care of any necessary business in her P. T. A. group.

Mrs. George Bruns, president of the Seventeenth district, C. C. P. T., was introduced and presented two of her chairmen, Mrs. M. M. Elder and Mrs. A. G. Brown. Mrs. Elder gave a short talk on "Nutrition," the main theme of P. T. A. for this year.

The meeting was next entertained by James Kessen and the Bayshore school band. This group consists of children from the fourth through the eighth grades with majorettes still younger. Five well-played selections were presented and enthusiastically received.

The speaker of the evening, Francis Robinson, gave a straightforward talk on juvenile protection. Principal James Ferguson, commented on the theme presented by Robinson.

The business meeting then closed and all adjourned to the cafeteria where delicious homemade cakes and coffee were served by hostesses from all units.

The next executive board meeting will be held in the school cafeteria at 1:15 p. m., Wednesday, November 5, followed by an afternoon whist. Valuable prizes have been secured and the public is cordially invited. Mrs. Harry Jones will be chairman, assisted by the executive board.

Are you looking for a novel dish for Halloween? If you are, the recipes below will thrill you:

Lima and Celery Salad

2 cups cooked, dried Limas
1 cup diced celery
½ green pepper, minced
½ cup French dressing

Mix ingredients an hour or more before serving. To serve, arrange on lettuce leaves. Place a spoonful of mayonnaise on top and sprinkle mayonnaise with minced green pepper.

California Coleslaw

2 cups orange sections
Sour cream dressing
2 cups shredded cabbage

Shred crisp, fresh cabbage quite fine. Mix with the orange sections and enough sour cream dressing to moisten. Garnish with whole orange slices. Serves 6.

Magic Fruited Macaroons

⅔ cup (7½ oz. can) sweetened condensed milk
2 cups shredded coconut
1 cup dates, uncooked prunes or apricots

Mix sweetened condensed milk and coconut. Add either dates, prunes or apricots, which have been finely chopped. Drop by spoonfuls on greased baking sheet, about 1 inch apart. Bake in moderate oven (350° F.) 10 minutes or until a delicate brown. Remove from pan at once. Makes about 30. Sweetened condensed milk works like magic in making crunchy cookies that are failure-proof.

Angel Rennet-Custard

1 package vanilla or orange rennet powder
1 pint milk (ordinary or homogenized)
1 cup broken angel cake
½ cup finely cut blanched almonds
½ cup finely cut candied fruits
¼ cup whipping cream

Divide the angel cake, almonds and candied fruits among 6 dessert glasses. Make rennet-custards according to directions on package, pouring it over the cake-fruit-nut mixture in each glass. Do not move until firm — about 10 minutes. Chill. When ready to serve top with whipped cream.

Chocolate Jack-o'-lantern Tarts

2 to 3 squares unsweetened chocolate
¾ cup sugar
¼ cup water
6 tablespoons flour
½ teaspoon salt
2 cups milk
1 egg, slightly beaten
2 teaspoons butter
1½ teaspoons vanilla
6 baked tart shells
6 baked jack-o'-lantern faces, cut out of pastry

Combine chocolate, ½ cup sugar, and water in saucepan. Cook 5 minutes, stirring constantly. Combine flour, remaining sugar, and salt in top of double boiler. Add milk gradually, stirring well; then add chocolate syrup. Place over boiling water and cook until thickened, stirring constantly. Then continue cooking 10 minutes, stirring occasionally. Pour small amount of mixture over egg, stirring vigorously; return to double boiler and blend. Remove from boiling water, add butter and vanilla. Cool. Turn into tart shells. Arrange jack-o'-lantern cut-outs on top of filling.

Witches' Brew

When witches prowl and black cats howl on Halloween, you'll be on the safe side if you serve this decaffeinated coffee beverage, so that you and your guests won't have to worry about sleeping problems.

1 cup strong decaffeinated coffee
2 squares unsweetened chocolate
3 tablespoons sugar
Dash of salt
3 cups milk

Make decaffeinated coffee extra strength using 1½ tablespoons for each cup (½ pint) water. Add chocolate to coffee in top of double boiler and place over low flame, stirring until chocolate is melted and blended. Add sugar and salt, and boil 4 minutes, stirring constantly. Place over boiling water. Add milk gradually, stirring constantly; then heat. When hot, beat with rotary egg beater until frothy. Serve hot or cold. Top with whipped cream, if desired. Use cinnamon stick for stirrers. Serves 4. Remember, when making decaffeinated coffee by pot or percolator, that it needs slightly longer brewing to bring out its full flavor.

Party Games

A sure recipe for party morale is to plan easy-to-learn games that every one can take part in. The newest game craze is Bonanza, an ingenious, fast-moving blend of Michigan, rummy, etc. with a circular Bonanza cloth that happily eliminates all memory exactions. Dig is another party game favorite that's easy-to-learn; you scramble for letters in a "gold mine" with little miner's picks.

Vanity Tray

A vanity tray is built into the top of a new bathroom clothes hamper.

Woodrow Wilson PTA Schedules Whist Game

Members of the Woodrow Wilson P. T. A. will hold a luncheon whist, this afternoon. The affair will be at the home of Mrs. Ida Hanley, 43 Woodrow street.

Luncheon will be served at 12:30 p. m., with card playing following. The party will be a grocery whist and there will be a prize for each table, according to the ladies.

Mrs. Hanley will be hostess of the afternoon, with other ladies of the executive board assisting. This is the first game of its kind, and is to replace the regular evening whists. Next card game will be scheduled in November.

The sewing group met at the home of Mrs. Emilie MonSanto, 278 Los Banos avenue, Thursday. A delicious dessert luncheon was served after which the ladies enjoyed sewing and a social hour.

The program consisted of a series of sectional meetings from 9 a. m. to 12 m. Critical discussion groups were held after the annual luncheon meeting at the student union.

Among the prominent speakers of the day were Howard Pease, noted author; Dr. Harry Fisher, vice-chairman of the directors of the Hoover library; Dr. Chilton Bush, head of division of journalism at Stanford, and a number of the members of the staff of the Stanford Daily.

The subject for this year's contest will be "Can College Prepare Me For A Job?" The contest will run from February 1 to April 15.

All senior students are eligible to enter this contest.

EXECUTIVE BOARD

Roy De Vincenzi, vice-president, presided over last week's executive board meeting in the absence of President James Parker. The minutes of the previous meeting were read and approved.

"One of the biggest and best groups I have ever had," stated Oscar Busch, as he handed the names of his chorus to the reporter, last week. The chorus gave their first performance for the students in an assembly, Thursday.

Those composing the chorus are: sopranos, Lillian Ainsworth, Lillian Altman, Louise Baciocco, Jo Bricker, Josephine Cipresso, Dorothy Dawe, Marjorie Denton, Dolores Eaton, Anna Finsterbusch, Lillybell Fletcher, Eva Hermansen, Maxine Hudson, Wyonne Humphrey, Shirley Johnston, Mary Kelly, Lorraine Marcucci, Patricia Marocco, Patsy Nolan, Doris Pape, Beatrice Putnam, Marguerita Rogers, Isabelle Smith, Doris Vernengo, Barbara Wilmoth, Betty Vnchilas, and Daisy Yonan.

Campus Fashions

When fashion experts came out with the reversible coats, last semester, they made quite a hit with fashion-minded girls. But just wait until you hear what they have done now! Coats that can be turned into four different uses. Chic as topcoats, warm as overcoats, ducky for raincoats, and even good for snowcoats if you like winter sports.

One of these is fashioned so you can wear it with a bright tweed showing for a topcoat. If the weather man decides, all of a sudden, to change the nippy air to rain, just shake it wrong side out and, presto, you have a water-repellant gabardine raincoat. If you want a different color coat just unbutton the top coat and turn wrong side out, and, presto again, you have another coat. Simple and inexpensive. Just the thing for the high school girl's budget! Even Mr. Scotchman would approve of getting four coats for the price of one.

Just a mite, but that's all right—

Just a mite is right, she stands five feet three, has a beautiful olive complexion and the prettiest brown eyes you ever saw.

One of her favorite passtimes is attending football games, especially Jefferson, which shows school spirit. With her rooting for the team there is no excuse for a defeat.

Her hair is arranged high in the front and sides and falls away to a long bob. Quite fetching!

Our little Miss' ambition is to someday be a stenographer. Upon her graduation in '43 she plans to attend college.

Our orchid bouquet goes to that little sophomore. Dorothy Dawe.

Sports

GPAL

Members of the G. P. A. L. will participate in a hockey sports day, today. The games will be held on Jefferson's field.

Competing with them will be Lowell and Burlingame high schools.

The first inter-archery meet will be held, tomorrow, after school. Results will be announced later.

Esther Hanel, G. P. A. L. manager, today announced a proposed change in the G. P. A. L. points. A meeting will be held Monday, November 3, and the following proposition will be put before the girls for a vote: the changing of the required two hundred and fifty points for a block J to one hundred and fifty. This way would give the girls an opportunity to work for their block J cards after they receive their block J.

Miss Hanel urges all members to attend this meeting.

Going Up!

Local government in San Mateo county spent $66.92 for each and every man, woman, and child in the county in 1939-40, a report of costs of local governments in California counties, made at the fifteenth semi-annual meeting of the board of directors of California Taxpayers' association in San Francisco, last week shows. Subventions and grants from the federal and state governments are included in these figures, it was pointed out.

Total expenditures by the local governments in the county amounted to $7,480,381 during the year, it was reported. Of this, the county government spent $2,200,194; the cities in the county, $1,751,331; school districts throughout the county, $3,111,838; county special districts, $284,015, and city special districts, $133,003.

Local government expenditures throughout California increased 42 per cent in the five years between 1934-35 and 1939-40, the report shows, going from $389,000,000 in 1934-35 to $552,000,000 in 1939-40.

At The District Grammar Schools

At Crocker

Louis Valletta and Charles De Martini carried off high honors in the boys' handball tournament, which was held during the month of October. The tourney was held under the supervision of Emile Gardella, and approximately twenty boys participated.

Quarterfinals have been reached in the girls' tournament, supervised by Alice D'Isep.

"The Burning of the Yule Log," a dramatic presentation, was produced by the pupils of the high fifth grade to illustrate a study of the heating of American homes in the colonial days.

A film showing the beginning of the Revolutionary war in America was presented to students of the high sixth and low seventh grades during social studies period, last week.

Charlotte Dogert, a member of the low seventh grade, has recently moved to Belmont, and will attend elementary school there.

At Woodrow Wilson

ROOMS 12 AND 15

True Defense program spirit was displayed by pupils in the art periods when they made Hallowe'en tray favors for the soldiers at Fort Ord. Black cats, witches, pumpkins, and other Hallowe'en decorations will adorn the army camp.

ROOM 14

For four consecutive weeks, the school Thrift banner has been possessed by the pupils of Room 14. Nearly every member of the class owns a bank book.

At Jefferson

Hallowe'en is in the air and signs of its approach are evident from the kindergarten through the eighth grade.

Art periods in primary classes have been given over to the making of colorful decorations symbolic of the occasion.

Halowe'en activities in the eighth grade are centering around a party. Phoebe Remington, class president, has appointed committees selected from volunteers:

Decorating committee — Winifred Grant, chairman; Ben Picetti, Hubert McDaniel, Peter Ramer, Virginia Nestor, Audrey Kusber, Raymond Ciardella.

Fun committee: Rita Nolan, Barbara Callan, Inez Chelone, Irma Rossi, Eleanor Benedetti, Raymond Chelone, Norman Stanghellini, Robert Heinzle.

Refreshment committee—Evelyn Calcagno, Lillian Scramaglia, Irene Gusto, Marion Puccinelli, Dorothy Demattei, Gloria Scramaglia.

Other members of the class are included in the General Service committee. It will be a costume party.

Social studies, this week, found the First grade deep in the making of slides for their new unit, "Pets." When completed and flashed upon the screen, each youthful artist will have the opportunity to take the floor and tell his classmates all about his "creation."

The Seventh grade bulletin board is showing a group of interesting pictures, dealing with the life of the Pilgrims.

Assigned to research work in the school reference library, members of the Sixth grade emerged with colorful sketches of interesting characters in history. Those reporting to the class were Caroline Fuchs, who chose Joan D'Arc; Robert Lazzerini, Charlemagne; Leontine Oberg, Ogier; Dolores Remillong, Roland.

JEFF GRIDDERS MEET DEFEAT BY BURLINGAME

Jefferson high's gridders met with a bitter defeat at the hands of a much larger Burlingame team by a score of 32 to 6, Friday, at Jefferson field. It was a hard game for the Jeffs to lose, because they were fighting all the way, and the Burlingame team was well aware of it.

The crack passing of Southpaw Bowers of the visiting team appeared to be too much for the Jeff pass defense, and seemed to be one of the deciding factors in the Burlingame triumph. Aside from the aerial thrusts, the Jefferson defensive forces turned in a good performance, as the visitors were not able to make any headway through the Indian line. After a threat to score on a power march by Burlingame to the Jefferson one-yard line, the Indians tightened up their defense, and wouldn't yield another inch. Huerta's tackling from a safety position was very effective at this point.

Shortly after the start of the second quarter, Burlingame scored a touchdown on a long pass, Bowers to Cowley, and it was at this point when the local scoring attack began to function. Rainey returned the visitors' kickoff to the Jefferson 35, and on the next play Rainey completed a pass to Huerta to their own 46. A fumble occurred in the Jefferson backfield, but, fortunately, both sides were offside, so the play was called back.

Rainey circled left end for 16 yards, only to have Jefferson penalized 15 yards for holding. After completing another forward pass and a subsequent penalty, Andriola, Jeff speed merchant, gained 11 yards in two plays through guard, placing the ball on the Burlingame 16-yard line. From this point, Ferrando passed to "Hank" Steele for the touchdown. The try for the extra point was blocked, tying the score at 6-6.

Two more of the visitors' touchdowns also came in this second period, the first of which came as a result of a bad break for the locals. Manuel Huerta, Jefferson's safety, fumbled a Panther punt, and Burlingame recovered on the Jefferson 19. Christensen scored from the 4-yard line.

Burlingame scored three more touchdowns, Bowers accounting for a pair of scores, one in the second quarter on a pass, and another toward the close of the game through left guard. Christensen accounted for the other score in the third quarter on a line play.

John Matthews, coaching Jefferson for the last time, Friday, for a turn in the Naval Reserve, claimed the aerial attack of the Panthers was their ace threat, while Jefferson's own passing attack was ineffective.

Universal Press Strengthens Lead In Daly City Bowling Tournament

Universal Press strengthened their lead in the Daly City bowling league, Friday evening, when they won over Curry's barbers. Conci's Shell service took full charge of second place in the standings, breaking the tie with Milo's Market. Milo's bowlers dropped to third place when they lost two of their matches to the Daly City-Colma Lions.

High point honors for individual scoring are still held by Cliff Curry with a 229 score in single games. Johnson of Milo's rolled a 602 for honors in the individual scoring for the series. By virtue of their win in one of their contests, Milo's team still maintains their lead as high single game team with a score of 930. The Sheriffs' still have high point honors for the series team with 2586, although the Eagles edged a 2-1 series win over the Sheriffs.

The Eagles challenge the league leading Universal team, Friday night, in alleys 1 and 2 at the Steel Bowl. The Lions club play the Cleaners in alleys 3 and 4. In alleys 5 and 6 Curry's Barbers meet Conci's Shell Service, and the Sheriff's play Milo's market in 7 and 8.

Biggs to Coach Indians Temporarily

Taking over the football reins temporarily, Coach Albert "B. I." Biggs, athletic director at Jefferson Union high school, is drilling his charges with plenty of fervor this week preparing for their tilt with Lincoln high school, Friday afternoon.

Coach Biggs is substituting for Coach John Matthews, who reported, Monday morning, for duty with the U. S. Naval reserve on Treasure island. Matthews expects to be in the service for the duration of the national emergency.

In an interview, Friday, however, Coach Biggs stated that his football duties will continue only until a suitable replacement can be made.

Friday's game, a non-league contest, should turn out to be an interesting affair. Jefferson's Indians are gunning for a victory, and Lincoln boasts a strong lineup for the game. Kick-off is set for 3:15 p. m.

To Run Yerba Buena Handicap On Saturday

Headed by Northern California's newest thoroughbred thunderbolt, Samborombon, thirteen horses were today nominated for the $2,500 added Yerba Buena Handicap, Saturday. This six furlong fixture will bring out the best sprint field of the fall season and will serve to introduce several recent Eastern arrivals.

Although the weather was clearing today, the Earl Beezley camp was not worried about the probable condition of the track for Samborombon, the Argentine ace. "He doesn't have to carry a track in his hip pocket," remarked Joey Inzelone, the former riding star, who exercises him.

Jeff Loses Double Bill at Burlingame

A Jefferson rally in the closing minutes of a basketball game was cut short by the final gun, and the chances of a lightweight victory over the Burlingame high midgets was stopped, Friday night in the Panther gymnasium. The Burlingame 110's defeated the Jeffs by a score of 14 to 12 in the first game of a double bill.

In the second game Burlingame's 120 pound team laced the Jefferson 120's with a 35 to 21 victory, thus scoring a double victory over the Daly City boys.

Jefferson played neck and neck ball with the B. H. S. 120's in the first quarter, and managed to hold a 6-5 lead at the rest period, but Burlingame began to pull away from the Jeffs in the next quarter, leading at halftime 13 to 10. In the second half Burlingame gradually increased their lead, and were never headed.

Kane of Burlingame led the scoring with 16 points in the second game, and Resicich, Jeff center, was second with a total of 10 points. Coen, Christen, Bybee, Knight, and Preciado scored the balance of Jefferson's points with two apiece.

The 110 game, which was really the thriller of the pair, was featured by the Panther forwards vieing with a twosome of Jefferson sharpshooters, Johnson and Welsh by name. These two boys accounted for all of Jefferson's scoring, tallying 6 points apiece in the low-scoring contest. The Jeffs led at halftime 8 to 7, but the Panthers hit the basket for 6 points in the second half to build up a lead that Jeff couldn't quite overcome with their rally in the last quarter.

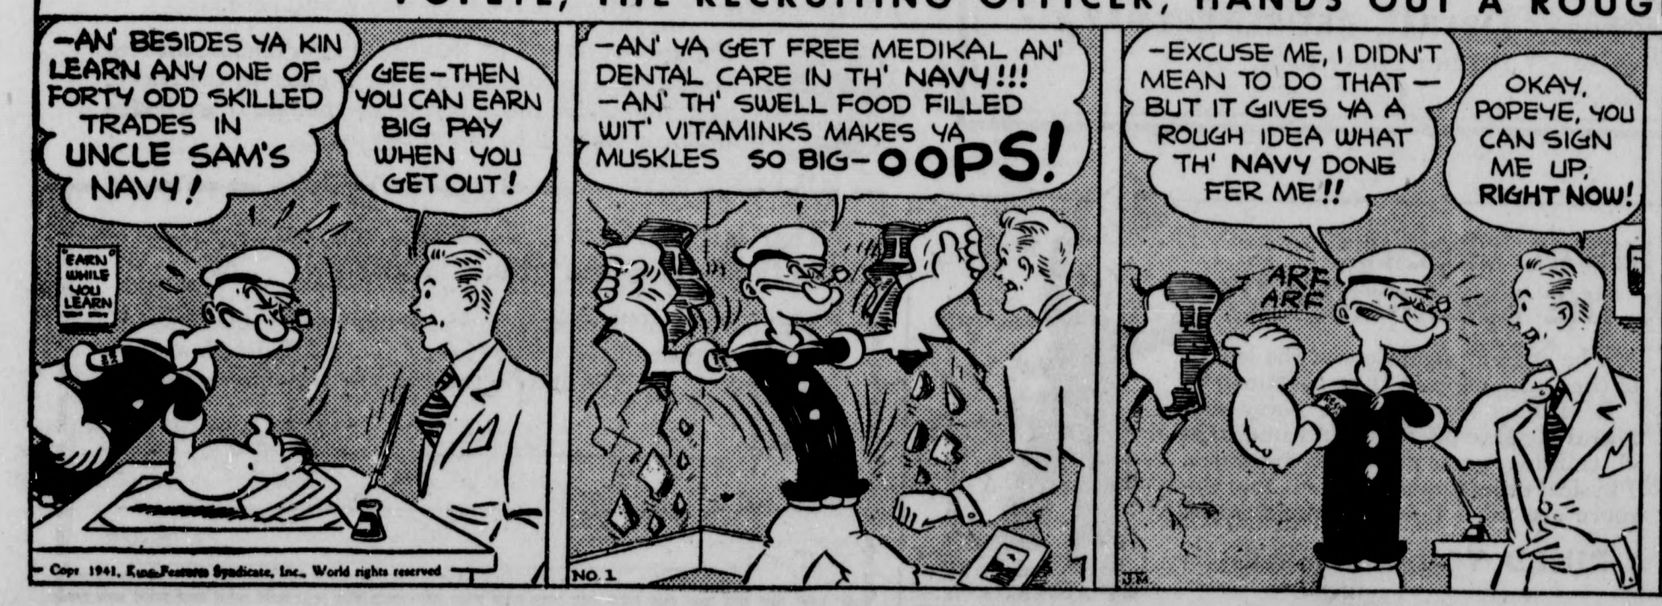

Ramblers Defeat Fort Mason, 26-19

The Ramblers, a collection of local basketball players, defeated a team from Fort Mason by a score of 26 to 19 in a game staged at Jefferson gymnasium, Friday evening.

The victors formed the team on short notice when the University of San Francisco failed to show up for the game, as was originally scheduled.

Under the sponsorship of the Daly City WPA Recreation department, the game was a very sportsmanlike affair with only three personal fouls called all evening. The Recreation department has no game scheduled for this week because of the Peninsula Athletic league game at Jefferson, Friday night.
